Carl and Steve – I think Derrith meant to send this to the two of you so that you can brief her and Shaun.

Bert – heads up and your lead on CO water projects.

FYI, I have asked Lynn to schedule this meeting below. I'll let you know when it gets scheduled so we can get me briefed beforehand, and have the right R8 folks in the room with me during the meeting.

Hello Shaun,

Congratulations on your appointment as Regional Administrator for the EPA. Staff from Western Resource Advocates would like to meet with you to discuss three issues:

1. PacifiCorp's compliance with the regional haze rule
2. Proposed water projects in Colorado
3. Applicability of RCRA to oil shale development projects in Utah

Please let me know with whom I should be communicating to schedule this meeting.

Regards,

David Abelson
